9. [] Talked with Mr. William Darden, Senate Armed Services Committee staff, regarding the request we had received from the Preparedness Subcommittee staff for a briefing on the developments of the situation in Czechoslovakia. Darden agreed that we should proceed to brief the Subcommittee staff as requested. He also, however, agreed that if it should develop that the Subcommittee staff is conducting a postmortem on the effectiveness of intelligence with respect to the Czechoslovak crisis we should discuss the matter with Senator Stennis and possibly Senator Russell on the grounds that this is a matter of primary concern to the CIA Subcommittee.
